INFORMATION FORMS (Contact Information and Email Addresses): The Board requests each member to complete the enclosed information forms. Members are required by our governing documents to provide contact information, including email addresses. We need up-to-date contact information for each member, including current address, phone numbers, email address, and the names of each member and their children. This information is used to maintain a current roster/directory of our members so that we can ensure proper billing of dues, keep members updated with newsletters, provide members with required notices of meetings and other business, track member voting, and manage our common areas. If you have not already done so, please provide the Association with your email address and establish a PayHOA account (which is our Association's online management portal). Doing so allows the Board to communicate with you more effectively and, importantly, saves the Association the cost of mailing. Forms were included with your dues notices or you can email cspoabkpr@gmail.com with your information. We ask that you fill one out each year so we can update our records. Thanks!

SECURITY COMMITTEE – We would like to remind you that most crimes in our area are crimes of opportunity. Please collect mail daily, lock your vehicles, remove garage door openers and valuables from your vehicle, always keep garage doors closed, and leave exterior lights on at night.

The committee is tracking all incidents in the CSPOA neighborhood; we ask that everyone report any incidents you experience or know about from the past 6 months, as well as any current issues to cspoasecteam@gmail.com.

HILL TENNIS COURTS - When locking the lock on the Hill's tennis court, it must be on the right code (0621), it must be held closed -- while the numbers are spun off

code, then released. Some people are unable to relock it because they don't know that process. **ALSO, DO NOT GIVE THE CODE TO ANYONE WHO IS NOT CSPOA RESIDENT.**

ARCHITECTURAL COMMITTEE – Prior to modifying or constructing any structures on your property, you are to submit a form to each member of the Architectural Committee in your neighborhood. Per Article VII of the CSPOA Amended Declaration of Restrictions, Covenants, and Conditions, any exterior alterations to structures must be approved in advance by the committee. The form is the last page of this newsletter.

YARD WASTE – If you need yard waste pick up, here is a website about the fellow who's been hauling yard waste for the neighborhood – <http://cronpost.wix.com/yardwaste>. Take pride in your yard and house and let's keep our neighborhood looking nice.

TRASH CANS AND RECYCLING – When putting your trash and recycling cans out, please leave at least 2-3 feet between them. When they are too close together, it makes it difficult for the arms on the truck to grab the cans. **DO NOT PARK CARS ON THE STREET WHERE IT BECOMES DIFFICULT FOR THE TRASH TRUCK TO GET TO THE CANS.** Trash cans need to be put up after the trash is picked up; do not leave them out on the street. Please remember to recycle when you can. Aim for zero waste! When recycling boxes, please try to break them down before you place them in your bin. Email cspoabkpr@gmail.com with any questions

CSPOA FACEBOOK - Request to join Cinnamon Square Property Owner's Association Facebook page for information on happenings in the neighborhood
